“ In The Creeks we found a large, modern home for our growing family. Our kids love being able to explore nature and have adventures on the walking trails. ”

## PHASE 8

Phase 8 in The Creeks completes Chuka Drive and provides a second access for the neighbourhood. There is an interesting mix of lots including two bays, walkouts backing Ripplinger Park and a number of lots that are deeper than normal for those looking for a big backyard. We invite you to explore The Creeks where your perfect lot awaits.
